# HOTELS, RESORTS & MOBILE HOMES

Croatia delights with almost 6,000 kilometres of coastline, dreamlike and varied landscapes, idyllic villages and historic old towns. If you want to discover the country or take a break on the beach, the most comfortable way is to stay in a hotel and be pampered with breakfast, half board or full board.

We offer various hotels in Croatia and will find accommodation for every taste - from beach hotels with animation for the whole family to wellness hotels for those seeking peace and quiet to noble boutique hotels. From the green peninsula of Istria to southern Dalmatia, our program has over 250 hotels and resorts.

Important note: As a specialist in our field, we check and control our service providers with the utmost care and only accept those providers who meet our high-quality standards and the strict legal requirements for hoteliers in Croatia.

We have decided to focus on quality; our colleagues have personally visited every single vacation home and apartment we offer. We are convinced that within our selection, you will find the perfect vacation home for your next holiday. We have something for everyone: families with children, couples, groups of friends, travellers with their pets... From simple vacation apartments to mountain houses where you can enjoy harmony to big country houses and spacious villas with private swimming pools. # CRUISES

Get to know the lonely bays of the Croatian islands and refresh yourself with a dip in the crystal-clear waters of the Adriatic Sea. In the afternoon and evening, you can stroll in the most beautiful harbour towns of the Mediterranean. Our fleet contains 31 vessels, ranging from luxury motor yachts to classic-style wooden boats. And whether you are looking for a relaxed route with an emphasis on swimming and sunbathing or an active tour with cycling and hiking – our 31 different routes offer something for every taste.

When you book a cruise with us, you get full service at the best price. And the best thing about it is that you don't share the ship with 3,500 other passengers but with 10-38 fellow passengers.

The only question left; why not see for yourself?
